Recycling Food Waste

There are two food waste bins
at **A** and **B**

How does the scheme work?

A small seven litre kitchen caddy is provided for each flat, along with a roll of compostable liners.

1 Place the blue caddy in your kitchen, and line it with a compostable liner.

2 Start collecting your food scraps in the caddy.

3 When the caddy is full, tie the handles of the compostable liner together.

4 Take it down to the food waste container, which is located next to your recycling bins.

What can I put in my kitchen caddy?

Yes
